## WIRING PENDANT

24 300 22 Jewellery wire, 50 cm  
14 216 561 Swarovski polished beads, 4 mm  
14 216 120 Swarovski polished beads, 4 mm  
14 253 806 Swarovski polished beads, 4 mm  
Thread the beads according to the size  
of the pendant.

Create your personal unique jewellery with noble and  
real pearls as well as special nacre shapes.

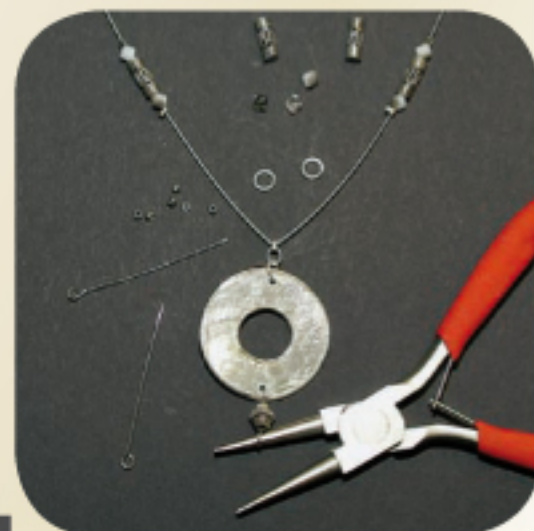

## CREATE A NECKLACE OR EARRINGS

1.

Thread the jewellery wire crosswise  
through the squeeze bead.  
Create a hook and fix the bead.

2.

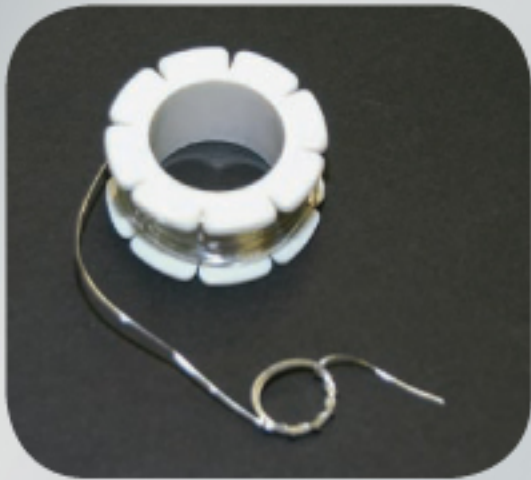

Thread the various beads from the right  
and the left hand side along the wire  
and fix them with squeeze beads.

3.

Use rings or chain stitch pins to fix  
the jewellery parts together.
