Description:

- Cut 3 strings of 1.80 m of the cotton cord, use 1 m of the calf leather lace and cut two 35 cm of the second string of calf leather lace. Cut four of 30 cm and one of 40 cm of the cotton cord.
- Thread one string of cotton cord with 1.80 m through the Pearly jewellery element disc „Zebra“, set a loose overhand knot, pull 1 m of calf leather lace together with the two other cotton cords 1.80 m through the loop. Hold it centric. Tighten the knot. Make a winding knot with 40 cm cotton cord.
- Divide the strings to the right and to the left. Work one side after the other. First side: Thread the shell jewellery element banana on a cotton cord string. Set an overhand knot with all three cotton cord strings. Set a weaver knot, approx. 1.5 cm long, over calf leather and cotton cord string.
- Thread a glass rhomb on a chain stitch pin, bend the loop and pull it on the medium cotton cord string. Set a weaver knot 1 cm, set an overhand knot with all 3 cotton cord strings.
- Make 2 cm of winding knots by using 35 cm calf leather lace.
- Make a waving knot with the longest cotton cord strings, set approx. 3 cm of overhand knots with the 3 cotton cord strings.
- Thread a glass-faceted double cone on a cotton cord. Fix a knot over all strings for fastening.
- After 0.7 cm set a winding knot with 30 cm of cotton cord. Make a weaver knot 1.5 cm in a distance of 1.5 cm, after another 1.5 cm set a winding knot 1.5 cm.
- Shorten the ends of the strings to the desired length (approx. 5 cm).
- Other side from the big winding knot in the middle of the necklace: Set 1.5 cm weaver knot. Thread a glass rhomb on a chain stitch pin, bend the loop and pull it on the medium cotton cord string. Set a weaver knot, 1 cm, thread a shell jewellery element banana on a cotton cord string. Set an overhand knot with all three cotton cord strings.
- Work the same on the other side Steps 5-9.
- Attach the clasp.
- Fix three Swarovski polished crystal beads, two glass wax beads and one glass baguette by using jewellery pins, in jewellery pins (loop) and in knots.
